

2023 Tievoli Cabernet Sauvignon

Lodi, California

OAK FARM
VINEYARDS

Tasting Notes

This Cabernet Sauvignon presents aromas of black pepper and bell peppers, with vanilla and black cherry notes too. It's a medium bodied wine with a nice smooth lingering finish.

Vineyard Notes

These Cabernet Sauvignon grapes come from the Lodi AVA. Soil type is primary a sandy loam. These vines are sustainable farmed and certified green under the Lodi Rules certification program. The Petite Sirah and Petit Verdot and Merlot were also from the same soil type within the Lodi AVA. They are also certified green/ sustainable under Lodi Rules.

Winemaker Notes

These grapes were hand-picked in the morning and then gently hand sorted and de-stemmed. They were then transferred to individual temperature controlled stainless steel tank for 2 days of cold soak. The must was inoculated with yeast and fermentation was done in tank with regularly timed pump overs. The lots were then combined and aged for 16 months in approximately 21% new French Oak.
